RACE REGULATIONS

1. Each boat must be equipped with a bow number indicating the starting order. It is placed at the front tip of the boat. A bib with the same number is worn by the bow rower. The bow numbers and bibs must be collected at the Club House from 11:00 AM upon payment of a €5 deposit.
2. Boats must be behind the starting line at least 15 minutes before the start time. Starts are given in the established order as listed in the attached starting grid. The start signal is given at the scheduled time for each category without waiting for latecomers. Crews starting before the starter's signal will be penalized by 30 seconds.
3. The event will be conducted according to the FRBA race code, particularly Chapter XV related to long-distance races. Regarding the calculation of handicaps, each boat will receive a handicap equal to the average of the handicaps corresponding to each rower in the boat, regardless of whether the rower is a man or a woman, U17, U19, U23, Senior, Master, or PRM. A PRM rower in a crew will have their personal handicap reduced by the following times: (PR1: -14:00 / PR2: -10:30 / PR3: -05:15).
4. On the Meuse, crews must navigate on their starboard side.
5. The turnaround must be performed in the order in which the competitors arrive at that point.
6. The overtaken boat must yield to the overtaking team and cannot in any way prevent the overtaking maneuver.
7. During the event, coxswains cannot substitute for rowers.
8. Disembarkation must be done on the Meuse side. It can eventually be done on the diversion, but only after all boats have arrived.
9. Any violation of articles 4, 5, 6, and 7 of these race regulations will result in a 30-second penalty. In case of recurrence, the offending crew will be disqualified.
